

**Finding of Suitability to Lease
LIC-O-1132**

**Navy Federal Credit Union
Lease to operate a credit union
in Building 215 and 1 ATM in Building 2
Naval Medical Center Portsmouth (NMCP), Virginia**

In accordance with ASN I&E Memorandum of 22 December 1993, I have reviewed the Environmental Baseline Survey (EBS) checklist concerning this property. The Automated Teller Machine (ATM) site is located on the NMCP, Portsmouth VA. The credit union will occupy 1,577 square feet of space on the 2nd floor of Building 215 and 37 square feet for an ATM machine to be located on the 2nd floor of Building 2.

An EBS checklist for the office space and ATM locations in Buildings 215 and 2 on NMCP was conducted to determine whether any areas of potential environmental concern exist at the property and to determine if the subject property is suitable for lease. This action is a new license that includes additional office space for the credit union and an ATM. The following statement applies to the subject property:

The EBS checklist indicates that Hazardous substances or petroleum products are not known to have been released, treated or disposed of at the location.
